

Heading East out of Silver City on Hwy. 180; past last light at 32nd Street by-pass. Keep following Hwy. 180 Eastward, approximately 1.5 miles. On right you'll see Whiskey Creek Airport sign, Kirkland Road (get into left lane, stay on Hwy 180 East, immediately), Mel's Tires, storage facility (you are in Arenas Valley). Just across from storage facility on left is Arenas Valley Road. Turn left onto Arenas Valley Road. You're heading North, toward the mountains. Follow Arenas Valley Road for 1.2 miles to large Elm trees at second Arroyo crossing. Just past Khody Lane, turn left at #125 and sign: "WOLFHORSE CAMP." Drop into dry arroyo, cross arroyo, take right fork, go through portal, open grassy area, white mobile home with turquoise trim.
